

June 2020

Dear Parent/Carer,

Once again welcome to Kingsway Park High School. Following on from my letter last week I just wanted to confirm the transition arrangements for this academic year. Unfortunately, our annual induction day due to take place in July, will no longer go ahead. The activities that we had planned to support your son/daughter will be postponed until September.

Included in this pack are some documents for you and your child to read through, and information sheets that need to be returned to school by the end of June. These include: -

- Transition booklet – please read through this with your son/daughter
- Behaviour for learning policy – please read through this with your son /daughter
- Data collection sheets – **Please complete and return to school by the 1st July 2020 – (these can either be dropped at reception or posted back to school)**

These are unusual and challenging times and we know you and your child may be feeling especially nervous about the transition into year 7.

We have set up some remote activities to help to put your child (and you) at ease and get them feeling as excited as we can for the new school year. Please visit our website where we have created a secondary transition page that includes a welcome and school tour video, some summer work for your son/daughter to complete by September, and also electronic versions of the documents that have been included in this pack.

We have created a transition email address to answer any concerns or questions you or your son/daughter may have – transition@kingswaypark.org

During the next few weeks you will also receive a phone call from a member of the year 7 team to answer any questions you may have and provide you with any further information you require.

I look forward to meeting you soon

Your faithfully

Mr Shane Carey

Assistant Headteacher
