Dear colleague,

Welcome to Kingsway Park High School and thank you for your interest in us.

I commenced this fantastic role in November 2020, and it is my huge privilege and pleasure to be Headteacher here, taking over from a brilliant Head who has led the school through its first ten years so we can face the future with confidence and optimism.

My passion is providing young people with the best possible start in life – and that must be our priority now more than ever. Young people in the North of England already face some challenges that many others do not – but too often we let this be the narrative that defines their future, instead of celebrating the extraordinary potential they have.

At Kingsway, we know our job is not just to put them on an “equal” footing with others around the region and the nation – it is to get them ahead. Often that will mean making sure excellent academic achievement is within reach of all and we provide the best teaching, from talented subject experts, every day to make sure every Kingsway student has the opportunity to be successful.

Just as important, however, is the need for Kingsway students to know they can be ambitious, for themselves, their friends and families and for this community as a whole – that means understanding career routes, options for further study and work opportunities – and most importantly it means having the personal skill set to pursue the future they choose. Resilience, determination, patience and the will to persevere, even if things don't always go according to plan, are the characteristics that lead to success and here at Kingsway you will find staff committed to giving our young people the chance to grow in confidence at every stage of their education.

Equally, we have a strong commitment and belief in developing staff at all levels. We seek to recruit and retain colleagues whose drivers match our school ethos and are committed to their own professional development. Successful candidates will receive a high-quality induction, appraisal, continuous development programmes (including nationally recognised leadership qualifications), and opportunities to contribute to whole school impact projects throughout their Kingsway careers.

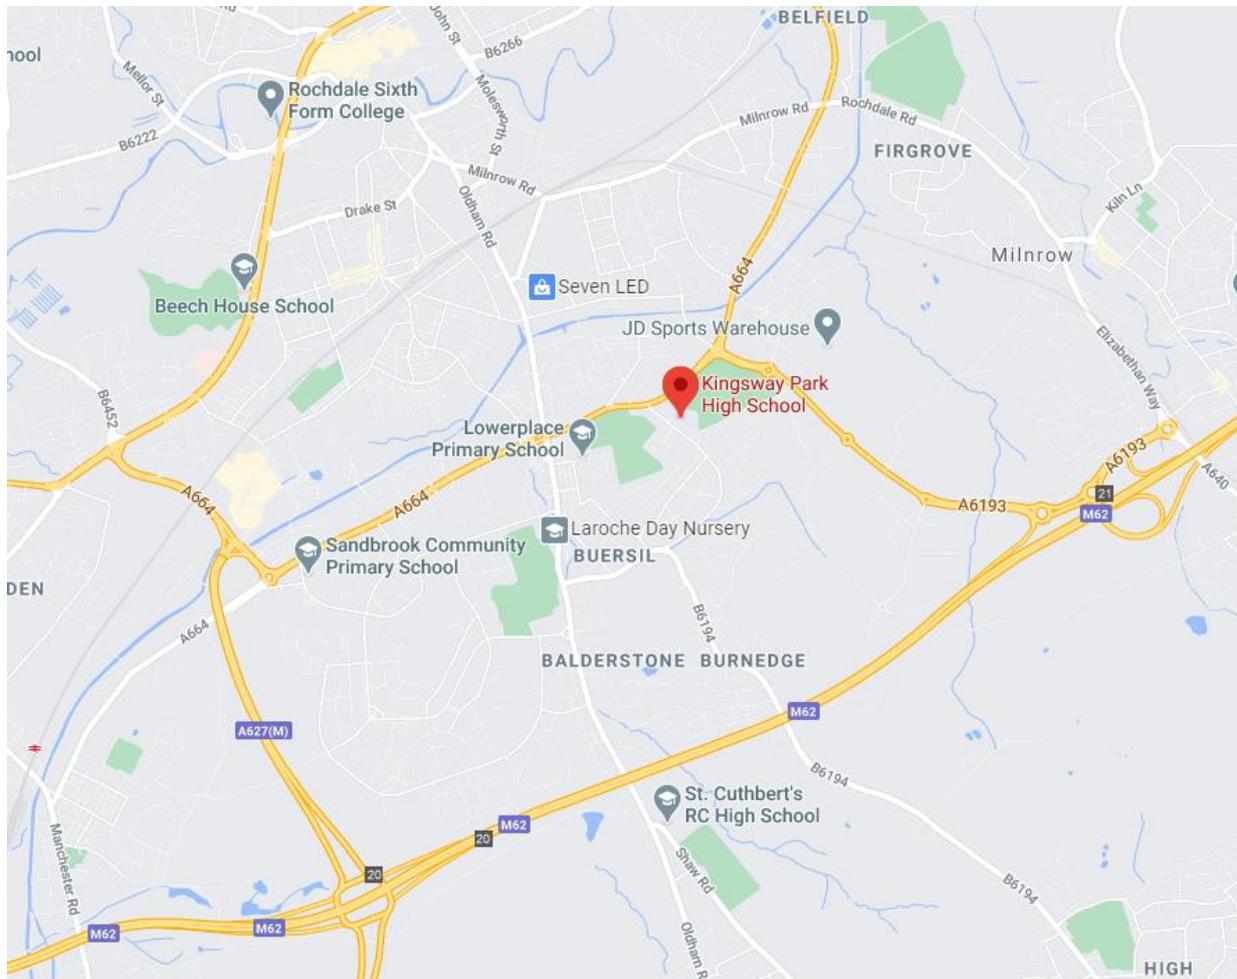

I hope you find this application pack helpful in making your decision to apply for this exciting career opportunity. If you have any questions for us, do get in touch, we are always here to help.

I would like to thank you for your application, investment of time and - whatever the outcome - I wish you well in the future.

Yours faithfully

Mrs J Langley
Headteacher

Kingsway Park High School was established 10 years ago, and we are now a very popular oversubscribed school. Located in central Rochdale, we are within a five-minute drive to junctions for the M62 and M60 motorways and a similar distance to Rochdale train station and the Metro.

We have almost 1300 students (Year 7-11) and 190 staff. We are very proud of the high-quality facilities, resources, and environment that we provide for both staff and students. If you would like to visit the school to get a feel who we are and where we are going, we would warmly welcome you.

In July 2017 an OFSTED inspection took place and the outcome was that the school continues to be a GOOD school. There are a lot of things to celebrate in the OFSTED letter (found on our website or on the OFSTED report website). It truly encapsulates the ethos, vision and culture of the school. I strongly recommend that you read it, so you have a clearer picture of what we are as a school.

Mission Statement

As our society evolves and becomes ever-more demanding for our young people and future leaders, we recognise and welcome the challenge of preparing our students to step up and take their place at the forefront of tomorrow's society. Our diverse student body enables enrichment for all of us on a daily basis.

Kingsway Park High School transforms students' lives. Through our relationships, we strive to instil both resilience and an intrinsic motivation to become confident, creative and highly skilled students, capable of meeting tomorrow's challenges head on.

We strive to establish a culture rooted in achievement and progress that encourages our students to grow academically, personally and socially; equipping them with the values of equality, fairness and openness.

We pride ourselves on our relentless drive to achieve outstanding, high quality teaching that provides a safe, supportive and encouraging environment for all our students to be able to realise their academic potential in pursuit of educational excellence.

Job Description & Overview

In September 2021 we opened a new Inclusion department, Kingsway Avenue. This provides a bespoke curriculum for some of SEND students, including those with C&I, C&L, Sensory/physical and some SEMH. Kingsway Avenue students will attend foundation lessons with their foundation tutor, in "Kingsway Avenue" itself which is a purpose and go to specialist lessons within Kingsway Park High School. They will have a strong pastoral support network through our Foundation Co-ordinator, their nominated TAs and our Inclusion Team and a range of tailored options for work experience, social development and personal progress.

Additionally we have a number of students with EHCPs or with SEN Support who access a full mainstream offer, a large team of TAs and specialist resource and a deeply inclusive ethos, on which we want to build.

Our ethos is that every child can succeed, and every child adds value to our school. If you want to lead on SEND offer, evaluate your success by finding every child's potential and join us on our "Mission Inclusion" journey, we would love to hear from you.

There are lots of opportunities for professional development and training in the area of Teaching & Learning and SEN.

The successful candidate will join a developing and forward thinking SEND dept led by a passionate and enthusiastic SENDCo.

We want someone who genuinely cares about children.
