Kingsway Park High School was established in 2010 and joined the Altus Education Partnership in February 2022. We are now a very popular oversubscribed school located in central Rochdale. We are within a five-minute drive to junctions for the M62 and M60 motorways and a similar distance to Rochdale train station and the Metro Link.

We have 1350 students (Year 7-11) and 190 staff. KPHS students live in and travel to us from communities all over Rochdale and the surrounding areas. Our September 2022 Y7 cohort will join us from over 50 primary schools. We are very proud of the high-quality facilities, resources, and environment that we provide for both staff and students.

We hold our school values of **Kindness**, **Perseverance**, **Helpfulness**, and **Success** at the core of everything we do and everything we expect from our students. Students are awarded celebration post cards and lapel badges when they consistently demonstrate our values

If you would like to visit the school to get a feel who we are and where we are going, we would warmly welcome you.

Altus Education Partnership

The central purpose of the Altus Education Partnership is to help all our students across all our schools and colleges to realise their academic potential. We believe every young person can succeed and we devote ourselves to improving student achievement through high-quality teaching and student support. Through a culture of mutual respect, positive behaviour and high standards, we aim to inspire and engage all pupils, regardless of prior attainment or social background. Through a thriving family of Altus schools and colleges, we are committed to not only building student aspirations and futures, but also to regenerating communities.

The Altus Education Partnership is a Multi Academy Trust (MAT) and was established in April 2017 by the governing body of Rochdale Sixth Form College, an outstanding A level provider established in 2010. The college was awarded outstanding status by Ofsted in 2013 and has developed a national reputation for excellence, having been used in Ofsted case studies for sharing best practice. The development of the Trust stemmed from a commitment to raising aspirations and improving the life chances of young people throughout the borough of Rochdale. In 2019 the Trust was successful in its application to open a new free school, the Edgar Wood Academy, which serves the local community in Middleton and Heywood. Kingsway Park High School joined the trust in February 2022

We are committed to supporting all children in their academies to progress to a successful career, life, and employment path of their choice.
