

Teacher of IT, Finance and Business

Salary: MPS/UPS

To start September 2022 (or sooner)

Kingsway Park High School was established in 2010 and joined the Altus Education Partnership in February 2022. We are now a very popular oversubscribed school (1350 students in years 7-11 and 190 staff) located in central Rochdale. We are very proud of the high-quality facilities, resources, and environment that we provide for both staff and students. We hold our school values of Kindness, Perseverance, Helpfulness, and Success at the core of everything we do and everything we expect from our students.

Kingsway Park High School is introducing a new curriculum plan from September 2022, including the delivery of Business, ICT and Finance education throughout KS3, with an expanded KS4 Business provision. We are looking to appoint a new or experienced teacher of ICT or Business who is looking for a new challenge and is willing to join a growing Business Studies curriculum offer, within an exciting and forward-thinking team.

The successful candidate needs to have a real passion for their subject and to be up to date with best practice and raising outcomes in IT, Finance and Business studies. The ideal candidate would be willing to explore the ways in which finance education can be embedded into KS3 curriculum delivery and help raise the profile whole school. The IT and Computing department at Kingsway Park High School is a supportive department that is well resourced with 4 IT suites. There is a work area for staff within the department so the team can work cohesively to support and link ICT, Business and Finance in the curriculum offer. We are also looking for someone who has a passion in delivering careers education as a whole. There is a significant support within the department in all aspects of teaching and the new teacher of IT, Business and Finance will be supported by the Curriculum leader.
